It is divided into three tabs: '1 Site Details Dates / Site / Equipment', '2 Reservation Details Name / Add-Ons', and '3 Payment Details Address / Phone / Payment'. The 'Site Details' tab is active and contains several important notes: 'IMPORTANT NOTE - Campsite reservations start date must be within 30 days of today's date.', 'This park is not a public park. Only reservations made by those affiliated with Eastman and Eastman Recreation members will be honored.', 'Picnic Shelter sizes are indicated on the map as follows: Small=circle, Medium=rectangle, Large=triangle, XLarge=rectangle', and 'Pets are not allowed in the Picnic Area. A maximum of 2 pets are allowed in the campground and must be leashed when outside.' Below the notes are fields for 'Arrival' (03-08-2022) and 'Departure' (03-09-2022). A 'Filters' section includes 'Site Type' (set to 'Picnic Shelter AM: 8am-4pm') and 'Adults' (6), 'Children' (3), and 'Pets' (0). A map shows 44 available sites with various symbols.
